2018 OSHA LOG and Summary

OSHA's Form 300A (Rev. 10/2016) Year 2018

Summary of Work-Related Injuries and Illnesses

U.S. Department of Labor
Occupational Safety and Health Administration

All establishments covered by part 1918 must complete this Summary page, even if no work-related injuries or illnesses occurred during the year. Remember to enter the Log to verify that the entries are accurate and understandable, completing the columns.

Using the Log, input the individual entries you wish to report. Then work the totals below, making sure you've added the entries from every page of the Log. If you had no entries, enter "0".

Employers, some employees, and their representatives have the right to review the OSHA Form 300A in writing. They also have limited access to the OSHA Form 300A in its electronic form. See 29 CFR Part 1918.25, a OSHA's transparency rule, for further details on the review process for these forms.
