Departmental SPCC Fuel/Oil Tank Inventory

New Mexico State University
Environmental Health & Safety Office

This form is to document the aboveground fuel and oil storage tanks in your area (55 gallons and greater). Tanks are to be listed, and noted if/when they are taken out of service. New tanks should be added as they are acquired. Questions, call Jack Kirby or Luis Morales at 575-646-7103.

Department: _____ Location: _____

Tank Manager: _____ Date: _____

Tank No.	EH&S Tank No.	Location	Contents	Capacity (gal.)	Notes and Comments

Retain completed forms in your departmental SPCC file. EH&S will inspect your SPCC program, including all records, at least once/year.
