

Sponsored Youth Programs Mandatory Training

As per the [NMSU Sponsored Youth Programs ARP 16.79, Part 6](#), all SYP Staff must demonstrate appropriate knowledge through satisfactory completion of the mandatory training, via Training Central. Directors must verify compliance with this rule prior to commencing operation of a Youth Program.

Please note, training certifications will be valid for a 12-month period from the date the training course was taken.

Please note, if the Camp Director will be conducting an in person training for their SYP staff members, you will need to provide a list of those employees who completed the training so that it can be recorded in Training Central. It can be uploaded in Form 2 of the SYP Registration Process.

Please find the training course titles, description, and who should complete each training, listed below.
