

## EHS&RM Online Training List

Active Shooter Response	Fume Hood Safety
Autoclave Safety	Formaldehyde Safety
Back Safety and Injury Prevention	Hydrogen Sulfide Safety
Behavior-Based Safety	Hand and Power Tool Safety
Benzene Safety	Hand Safety
Biosafety Cabinets	Handling Radioactive Material
Bloodborne Pathogens (BBP)	Hazard Communication
Cardiopulmonary Resuscitation (CPR)	Hearing Conservation
Chemical Safety	Heat Stress
Chlorine Safety	Hot Work
Construction - Fall Protection	Industrial Ergonomics
Compressed Gas Safety	Intro to Mold and Mildew Hazards
Confined Space Entry - Permit Required	Intro to Ammonia Hazards
Confined Spaces	Intro to Beryllium Hazards
Dropped and Fallen Objects	Intro to Cadmium Hazards
Employee Safety Orientation	Intro to Combustible Dust Hazards
Electrical Safety: General Awareness	Intro to Hexavalent Chromium Hazards
Electrical Safety: Hazards, Controls, & Best Practices	Intro to Hydraulic Safety
Emergency and Fire Preparedness	Intro to Loading Dock Safety
Eyewashes and Safety Showers	Utility Cart Safety
Eye Safety	Intro to Site Security
Fire Extinguishers: Monthly Inspections	Intro to Pallet Jack Safety
Fatigue and Stress Awareness	Intro to Personal Safety
Field Research Safety	Intro to Pressure and Power Washer Safety

## EHS&RM Online Training List

Fire Extinguisher Safety	Intro to Safe Material Storage
Introduction to Radiation Safety	PPE- Foot Protection
Intro to Skid Steer Loaders	PPE- Hand Protection
Intro to Spray Finishing Hazards	PPE- Head Protection
Intro to Utility Cart Safety	PPE- Respiratory Protection
Introduction to Biosafety	X-Ray Safety
Job Safety Analysis	Preventing Spills
Ladder Safety	Process Safety management
Laboratory Compressed Gas Safety	Recombinant DNA
Laboratory Ergonomics	Risk Assessment (Higher Ed)
Laboratory Safety	Safety Audits
Laboratory Safety Refresher	Scaffold Safety
Liquid Nitrogen Safety (Higher Ed)	Sharps Safety (Higher Ed)
Laser Safety (Higher Ed)	Silica Hazards
Lead Awareness	Slips, Trips, and Falls
Lockout Tagout Overview	Small Spill Cleanup
Lockout Tagout	Stairway Hazards
Lockout Tagout for Authorized Workers	Static Electricity
Mobile Ladder Safety	Workforce Hazard Recognition
Machine Guarding	Workplace Signs, Labels, and Tags
Office Safety Overview	Lab Safety - Developing & Using Controls
Office Ergonomics	Lab Safety - Working Safely
PPE- Eye and Face Protection	Lab Safety - Analyzing Hazards
Personal Fall Arrest Systems	Lab Safety - Analyzing Physical Hazards
Personal Protective Equipment Fundamentals	Lab Safety - Analyzing Chemical Hazards
Lab Safety - Analyzing Radiological Hazards	Lab Safety - Analyzing Biological Hazards
